ONE YEAR ON DEPUTATION!

It's hard to believe that a year has passed since we were approved as Career Missionaries to Canada by the BBFI. It seems like it's only been a couple of months in many ways. In one year, the Lord has provided 48 ministry partners totaling 68% of our monthly support and nearly raised all of our start-up costs in less than six months! Praise the Lord!

We are currently waiting to hear back from 13 churches who we visited that are in the middle of their faith promise campaigns. Please join us in prayer that the Lord will provide for these churches and open the door for us to partner with them. We are nearing the end of our deputation with only six months remaining, and our new goal date is Dec 1, 2022 - 6 months earlier than first planned!

We are also excited to share that we had another gentleman saved through our ministry this month, and we are preparing another series of social media campaigns to reach Alberta, Canada with the gospel.

HE DID IT! HE GRADUATED HIGH SCHOOL!

Steven graduated both from Vocational Career Development School with a certificate in IT and from Blanchester High School! Way to Go Steven!
