The longing and burden to get to Canada has been pretty heavy this month. I began recording Sunday messages while I am on deputation. Our first message was over Acts 1:1-3 on "The Many Infallible Proofs of His Resurrection". The plan is to continue through Acts until I have finished deputation. Praise the Lord for the continued first-time visitors and reports of individuals within our group witnessing to others. We are praying that the Lord will provide and continue to open the door to partnering with churches we have recently visited. We already have the workings for birthing a church... we just need to get there... fully funded! Amen!

A NEW BUILDING!

God continues to provide and let His will be known to us! In previous newsletters, I have mentioned our group in Edmonton, Alberta that we are currently ministering and discipling via the internet. Recently, God has provided a new place for them to call home! The previous location was a temporary space for Sunday only and required them to set up and tear down every Sunday. This location sits 23 people in worship services, a separate room for Bible study/possible youth area, and a children's area. Praise the Lord!
